LICENCE AGREEMENT

Helix delta-T Conveyor Design Program
Lite, Standard, Professional and Dynamic Versions

Issue Date: 29 March 2010
Program Version: 6.0.0
License Number: 5016-7965-60xxx
License Holder: xxxxx

Helix delta-T

... is a powerful tool for engineers and equipment suppliers to quickly and easily design and optimise belt conveyors for bulk materials handling. You can produce economically and technically sound conveyor system designs in a very short time.

LICENCE AGREEMENT

HELIX DELTA-T version 6 and DELTA-T DEMO PROGRAM

HELIX TECHNOLOGIES LICENSE STATEMENT AND DISCLAIMER - IMPORTANT - READ CAREFULLY

Definitions

A "LAN" or Local Area Network is defined as a network of computers connected to a single subnet. A LAN license allows a specified number of users on one subnet on a single site within a single country.

A "WAN" or Wide Area Network is defined as a network of computers connected to multiple subnets. A WAN license allows a specified number of concurrent users on multiple subnets on the licensee's intranet within a single country.

("License Agreement") between you (either as an individual or a single entity) and Helix Technologies Pty Ltd ("Helix") for the software product ("Software") identified above, including any software, help files, media, and accompanying on-line or printed documentation.

This license statement constitutes a legal agreement

BY DOWNLOADING, INSTALLING, COPYING, OR OTHERWISE USING THE SOFTWARE, YOU AGREE TO BE BOUND BY ALL OF THE TERMS AND CONDITIONS OF THE LICENSE AGREEMENT. If you are the original purchaser of the Software and you do not agree with the terms and conditions of the License Agreement, promptly return the unused Software to the place from which you obtained it for a full refund.

Upon your acceptance of the terms and conditions of the License Agreement, Helix grants you the right to use the Software in the manner provided below.

This Software is owned by Helix and is protected by copyright law and international copyright treaty.

LICENCE AGREEMENT

DEMONSTRATION SOFTWARE

The Demonstration version of the program, where available, may be used for a limited time of 30 days or a limited total number of uses. After the expiration of the evaluation period, the software shall not be used in any manner, even if the software is re-set and functions correctly. Use of the demonstration software beyond the initial evaluation period shall be deemed to be a breach of the Copyright reserved by Helix. You may make as many copies of the demonstration version of the software as you like for distribution to other persons for their use, as long as you do not use multiple copies of the software for your own use.

FULL LICENCE SOFTWARE

If you have purchased a license to use the full version of the software, you may install and use the software on only one workstation at any one time. The software shall not be set-up so that more than one person can use the software at any one time, neither shall it be set-up so that multiple users may access and use the software over a network, even if this set-up allows access or use by only one person at a time. The use of the software in "Software as a Service" (SAS) or Virtual Server systems or programs such as Citrix® or KeyServer® which make the software available to multiple users is prohibited under the terms of this license. Multiple use licenses may be purchased for use on a local area network (LAN). The number of simultaneous use licenses will be recorded on the Helix Invoice when the software is purchased. If the Software is supplied with and protected by a hardware security key or 'dongle', you may install the software on as many computers as you wish, provided that the software is only used on one computer, to which the dongle must be connected, at any one time.

NETWORK, REGIONAL AND GEOGRPAHIC USE LIMITATIONS

This software may not be setup in such a manner that it can be accessed and used by different users in different regional time zones, nor shall it be setup on computer LAN or WAN networks and accessed over the network unless specifically stated otherwise on the commercial invoice for the software license.

TRANSFER OF LICENSE

You may not re-sell or transfer the Software unless you inform Helix of this in writing, including the details of the transferee. The terms of

Helix   3

this license agreement shall be transferred to the new user of the software.

Except as provided in the License Agreement, you may not transfer, rent, lease, lend, copy, modify, translate, sublicense, time-share or electronically transmit or receive the Software, media or documentation. You acknowledge that the Software in source code form remains a confidential trade secret of Helix Technologies and therefore you agree not to modify the Software or attempt to reverse engineer, decompile, or disassemble the Software.

LIMITATION OF LIABILITY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. IN NO EVENT SHALL HELIX TECHNOLOGIES BE LIABLE FOR ANY SPECIAL, INCIDENTAL, DIRECT, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE PRODUCT OR THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT SERVICES, EVEN IF HELIX HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ANY CASE, HELIX'S ENTIRE LIABILITY UNDER ANY PROVISION OF THIS LICENSE AGREEMENT SHALL BE LIMITED TO THE AMOUNT ACTUALLY PAID BY YOU FOR THE SOFTWARE PRODUCT.

The Software is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, or any other facilities in which the failure of the Software could lead directly to death, personal injury, or severe physical or environmental damage. Helix specifically disclaim any express or implied warranty of fitness for High Risk Activities.

This statement shall be construed, interpreted and governed by the laws of Western Australia.
